

## ENVIRONMENTAL POLICY STATEMENT

Alumasc Building Products Ltd. (Alumasc) is totally committed to operating an effectively managed Integrated Management System in accordance with BS/EN/ISO14001. This will assure interested parties that our policy:

- Is appropriate to the nature, scale and environmental impacts of Alumasc Building Products Limited activities and products.
- Is to endeavour to minimise, and preferably prevent all types of pollution so far as reasonably practicable and to continually improve environmental performance.
- Is to ensure compliance with relevant legislation and other requirements that the Company subscribes to.
- Is documented, implemented, maintained and communicated to all persons working for or on behalf of the Company.
- Is available to the public.

The operation of a suitable and effective Integrated Management System (IMS) is integral to the achievement of the above objectives.

All personnel are required to understand, implement and maintain the IMS to a level consistent with their responsibility. The IMS will be routinely audited to ensure compliance with operational procedures and the achieving of objectives and targets defined within the IMS and this Policy.

The IMS is based upon the requirements of BS EN ISO 14001.

The Environmental Policy and IMS shall be reviewed on an annual basis as a minimum and amended as required.
