

ALUMASC ROOFING

BUILDING WITH CONSIDERATION

A refreshing and engaging new look CPD that looks to address the challenges and design considerations faced in today's construction, focussing on:

-  **Environmental & Sustainable Waterproofing Systems**
-  **Climate Change**
-  **Biodiversity Net Gain, Biosolar & Green Roof Systems**
-  **Blue Roofs & Understanding of Achieving SuDS Targets**
-  **Approved Doc B - Fire Compliance & BROOF (14)**
-  **PassivHaus**
