

EUROROOF RAPID CAP SHEET

Euroroof Rapid High Performance Roofing is a single layer premium torch applied reinforced APP polymer modified bituminous waterproofing membrane specifically developed for refurbishment roofing projects. The membrane features a high level of bitumen mass to the lower surface when compared to comparable membranes to mitigate surface irregularity.

Where to Specify

- Refurbishment
- Overlay of existing waterproofing systems

Durability

When installed on stable substrates and regularly maintained, the system will have a life in excess of 20 years.

Typical Assembly	
2	Euroroof Rapid
1	Existing waterproofing

Approvals

- Safe2Torch Registered

Warranties

Alumasc offers a comprehensive range of single-source warranty options for up to 20 Years. Installed exclusively by Registered Contractors and underpinned by Alumasc's extensive project support service, Alumasc warranties cover product, workmanship, and design.

Technical Support

Alumasc Technical Services can advise on all aspects of product selection, specification and integration of Alumasc systems into any building design.
